

CEMSTONE® OPEN HOUSE

An aerial photograph of a large industrial facility, likely a cement plant or quarry. The image shows several large, conical piles of light-colored sand or gravel. A network of conveyor belts and processing equipment is visible, connecting different parts of the site. There are several small buildings and a large truck parked on the right side. The facility is surrounded by green trees and a clear sky.

SEPTEMBER 10, 2024

10:00 am - 2:00 pm

N8139 State Hwy 128, Spring Valley, WI 54767
